Identity findings

CRITICAL New **MFA for guests is switched off** — Conditional Access

Description

The policy "Require MFA for guests" was disabled on 2026-08-02 and never re-enabled.

Recommendation

Re-enable the policy, or replace it with one that covers guests and service principals.

Guests	Without MFA
38	38

WARNING **Users with a high risk level** — Users

Recommendation

Require a password reset and review recent sign-ins.

Evidence (2)

OBJECT	VALUE	STATUS
person23@contoso.com	High risk	Critical
person46@contoso.com	High risk	Critical

WARNING **Users still on SMS as the only second factor** Users

Recommendation

Move them to the Authenticator app or a security key.
